

Be Right™

Goggles, Safety, Uvex, Classic

Product #:	2927902
ZAR Price:	Contact Hach
Available	

Indirect ventilation system to allow free air flow through the goggle body. Large, soft body ensures an excellent fit over most prescription eyewear. Clear polycarbonate lens treated with patented Uvextreme AF coating—protects against fogging, scratching, static and dust, and 99% of harmful ultraviolet rays up to 385nm. Absorbs 99.9% of UV up to 385nm and meet ANSI Z87+ and CSA Z94.3
